Because the freshman football team had only one player with previous playing experience, the main goal of the season was simply to learn the rules and how to play the game effectively. The team had an excellent record of five wins, one loss, and one tie, but most of all, the experience they needed was gained in this victorious season, as shown by Greg Jefferies who made first team All-League, WCAL.

With an overall record of 18-1-4, and a league record of 7-3, the Varsity Water Polo tem was heartbroken after losing it's final playoff game to rival Bellarmine. The team had hopes of making it to the C.C.S. playoffs for the second time in Serra history, last year's team being the first ever. All-League players included John Lautze and Mike Connely. All the team members and Coach Strange deserve congratulations on a great season. M.V.P. was awarded to John Lautze, M.I.P. Rick Woonacott, and the Coaches Award: Mark Stemmy.

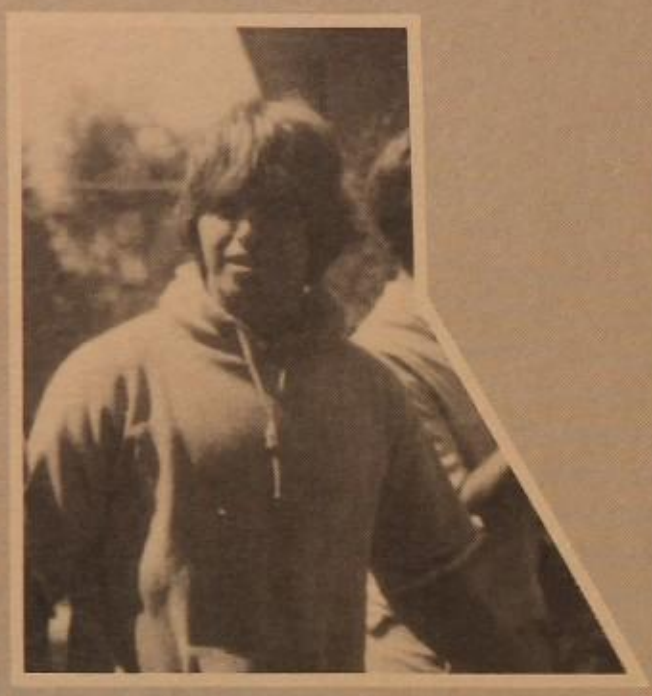
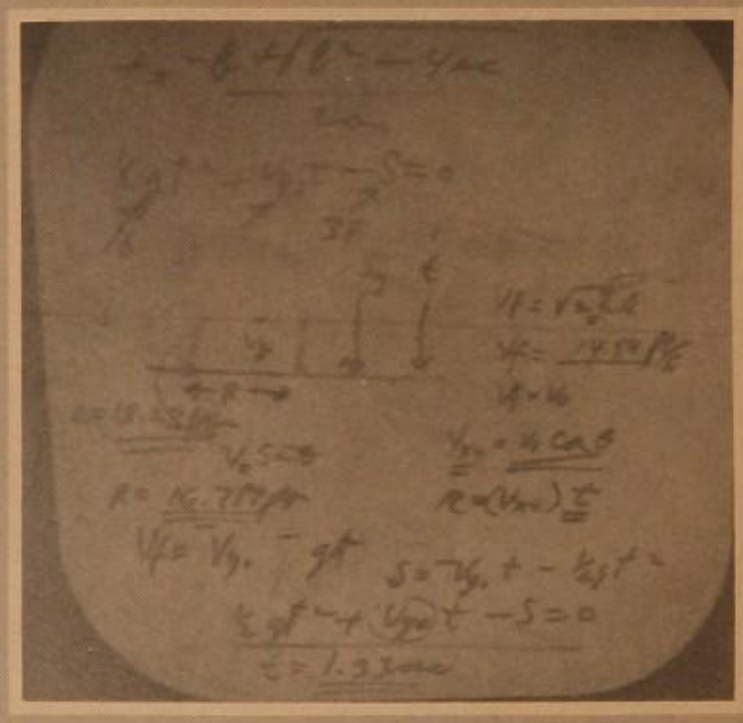
FAREWELL CLASS OF '82





"Your head is humming and it won't go. In case you don't know the piper's calling you to join him. Dear lady can you hear the wind blow? And did you know, your stairway lies on the whispering wind."

Dedicated to the piper that calls all of you to remember him as he was and to keep up the living and experiencing that he loved so much.

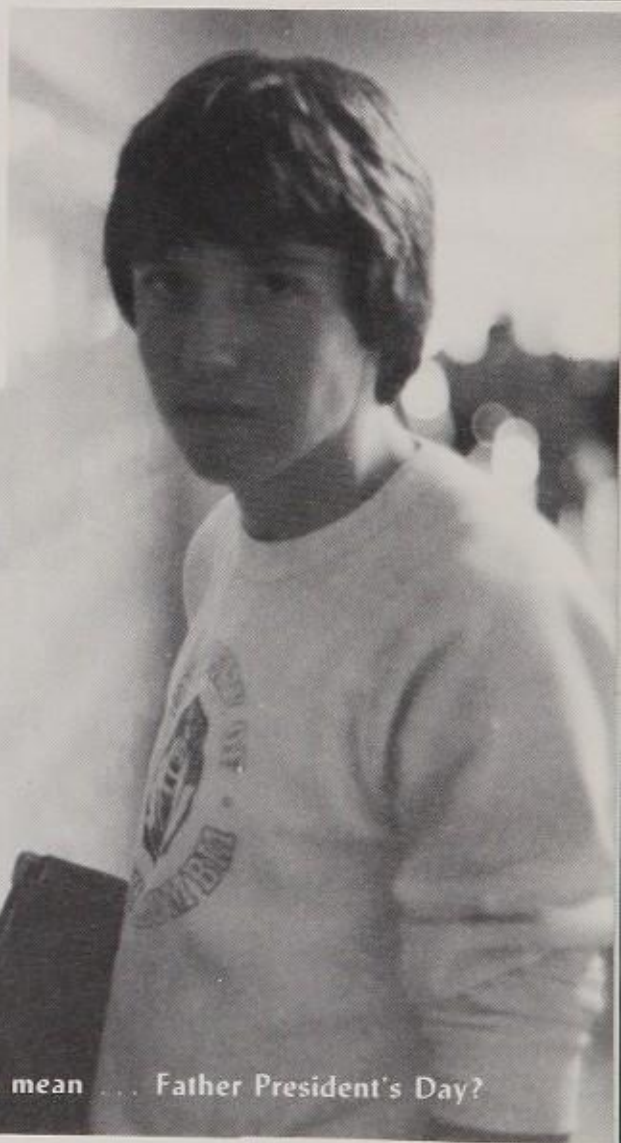
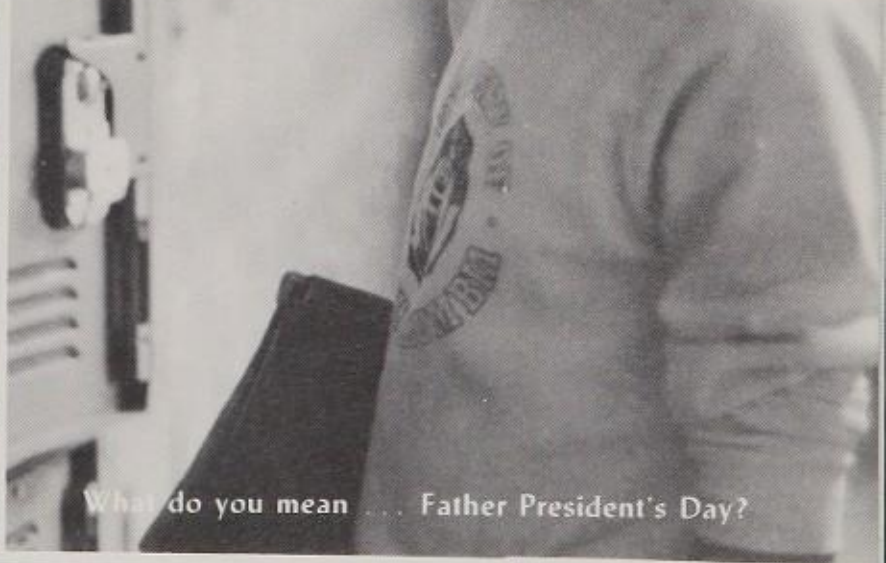
TMac to the rescue



I just love those Serra boys!



What do you mean . . . Father President's Day?

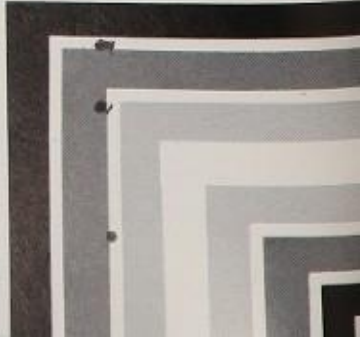
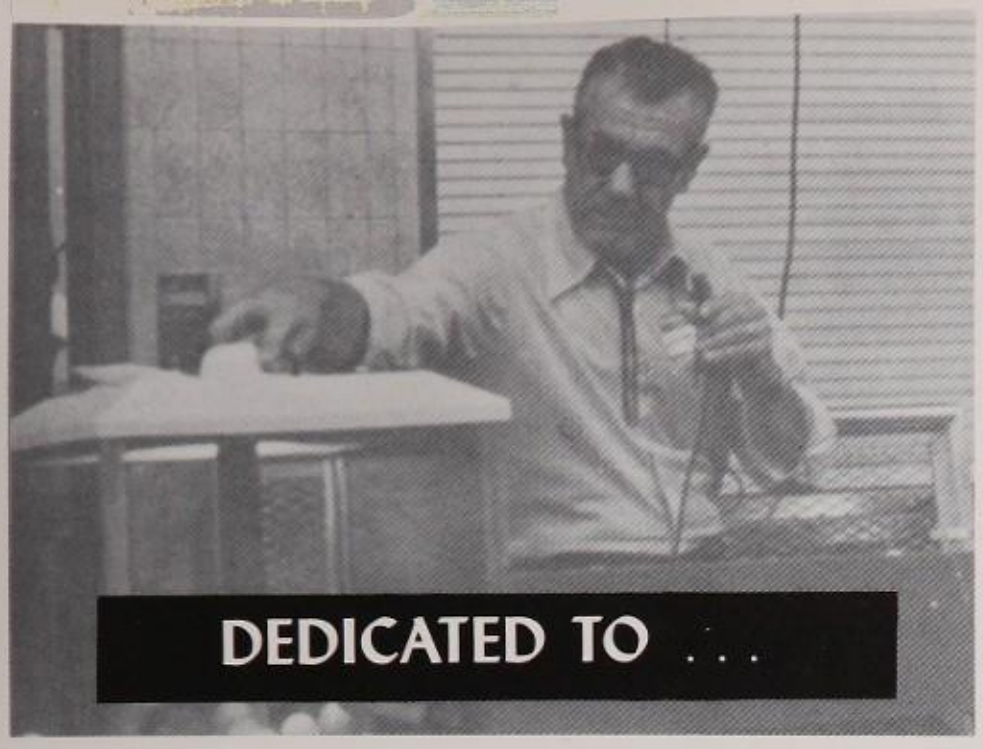
FACULTY ACTIVITIES



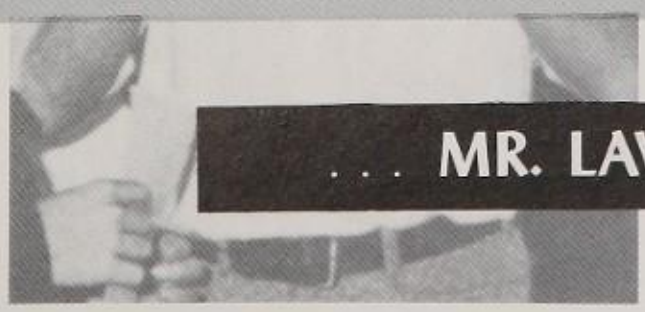


DEDICATED TO . . .

1963 1964 1965 1966 1967 1968 1969 1970 1971 1972 1973 1974 1975 1976 1977 1978 1979 1980 1981 1982

"Mere papers in his file do not adequately describe the man," said Mr. Michael Peterson, Principal, when researching through the personnel files of Mr. Larry Hennes. How does one describe a teacher who has spent well more than twenty years in the classroom, nineteen of these here at Serra? How does one record all the extracurricular work a man has done? . . . the countless hours of class preparation, tutoring, moderating student and parent clubs? To say that he started teaching at Serra in 1963 and retired in 1982 does not describe his contribution to the school. It is impossible to describe everything that Mr. Hennes has done.

It is equally impossible to adequately thank a person for all that he has contributed to the welfare of Serra and to us, his students. May we simply say "THANK YOU and MAY GOD BLESS YOU."



. . . MR. LAWRENCE HENNES

With the addition of the 1982 Cimarron, Rector offers you a Cadillac for any reason.

From the all new Cimarron, through the Seville, El Dorado, De Ville and Fleetwood Brougham, to a custom limousine, Rector leads the way in fuel-efficient luxury.

The '82 Cimarron at Rector Cadillac brings you size and features heretofore only found on luxury imports. Genuine leather, power-assisted rack and pinion steering, MacPherson suspension, tachometer & engine gauges, 4-speed manual transmission, AND a highway EPA of 42 mpg. But the main thing you get is a Cadillac! Cadillac quality, Cadillac engineering, Cadillac tradition. Plus Rector service. (The only dealer on the Peninsula, and only one of 3 in Northern California to receive the coveted Master Dealer Award in 1980 issued by the Cadillac Motor Division of G.M.) Come drive a Cimarron soon.

YEARBOOK STAFF 118

As in any good team effort, most work is overlooked by the spectators. It seems that only the members of the team can truly share the full pride of accomplishment. Most people who look at the yearbook will share in and appreciate the memories it evokes. Most staff members will also remember the hard work, the marathon sessions, the deadlines. Perhaps only they will fully appreciate this volume. I will remember them and continue to appreciate their lasting contribution to the Serra community. Thanks, Tim, for four years of labor; thanks, Jim, for taking on the added responsibilities; thanks, Doug, for so much creative work. Thanks to you all for all your work.
